

JAIME JIMENEZ AREVALO

arevalojaime@gmail.com | (323) 537 - 5860 | South Gate, CA

EDUCATION

Bachelor of Science Mathematics

Expected Graduation: July 2027

California State University, Dominguez Hills (CSUDH) — Carson, CA

Relevant Coursework: Linear Algebra, Complex Analysis, Abstract Algebra.

Associate of Science, Mathematics

August 2022 – July 2025

Long Beach City College (LBCC) — Long Beach, CA

Relevant Coursework: Calculus, Linear Algebra, Differential Equations

PROFESSIONAL EXPERIENCE

Undergraduate Researcher

June 15, 2026 – July 24, 2026

Combinatorics and Coding Theory in the Tropics, University of Puerto Rico in Ponce

- Conduct undergraduate research exploring the mathematical structure of Affine Grassman Codes
- Participate in workshops to develop technical skills in LaTeX, research techniques, and coding methods.
- Collaborated with undergraduate researchers to develop an understanding of the assigned project and produce logical sound proofs to defend the material.

Student Researcher

November 2025 – Present

California State University of Dominguez Hills — Carson, CA

- Conduct undergraduate research exploring the mathematical structure of Liar's Bingo and its connections to error-correcting codes and coding theory.
- Curated poster presentation to participate in CSUDH Student Research Conference, securing 2nd place in Physical and Mathematical Sciences Undergraduate Poster Presentations.
- Develop Python simulations to model strip construction, introduce errors, and extend the game to different bases and strip sizes.

Tutor/Supplemental Instructor

August 2023 – Present

Long Beach City College Math Success Center — Long Beach, CA

- Facilitated academic support workshops within the Math Success Center, enhancing student comprehension and exam readiness across multiple math subjects
- Partnered with professors to assist students during lectures and lead supplemental review sessions outside of class to reinforce core course concepts
- Conducted in-center tutoring across mathematics subjects ranging from entry-level courses to advanced topics such as Differential Equations and Linear Algebra
- Promoted Math Success Center resources through classroom presentations and campus outreach events, engaging students and distributing informational materials

Tutor and Residential Assistant

June 2019 – July 2019

TEF/TRiO Programs — Los Angeles, CA

- Collaborated with faculty to deliver academic readiness and personal development workshops for college-bound high school students
- Supported program leadership by implementing an online calculus curriculum, providing tutoring, and advising students on academic progress

PROJECTS & EXTRACURRICULAR

CSUDH Math Club – Secretary

November 2025 – Present

- Promote club activities and foster a collaborative club environment.
- Manage club records, take meeting minutes, and prepare agendas for club meetings.

LBCC Math Club – Founder and President

November 2023 – December 2024

- Re-established the Math Club at LBCC to engage students and foster inclusion
- Secured grants to fund club operations such as tutoring sessions, guest lectures, and social outings.

SKILLS

Programming Languages: Java, C++, Python

Computer Software/Frameworks: Adobe Photoshop, LaTeX, Microsoft Office, OBS

Languages: English, Spanish
